## ETIM description

|                                    |                                       |
|------------------------------------|---------------------------------------|
| Class                              | Socket outlet (EC000125)              |
| Group                              | Domestic switching devices (EG000013) |
| Model                              | Earthing pin                          |
| Protective contact                 | Round                                 |
| Number of active contacts (round)  | 1                                     |
| Number of active contacts (flat)   | 0                                     |
| Number of active contacts (square) | 0                                     |
| With signal lamp                   | No                                    |
| Number of ports USB-A              | 1                                     |

|                                         |                              |
|-----------------------------------------|------------------------------|
| Max. current rating of USB power supply | 2.1 [A]                      |
| Number of socket outlets                | 1                            |
| Number of modules (module system)       | 1                            |
| Number of socket outlets switchable     | 0                            |
| Number of phases                        | 1                            |
| Imprint/indication                      | None                         |
| Connection type                         | Screw terminal               |
| With hinged lid                         | No                           |
| With enhanced contact protection        | Yes                          |
| Label space/information surface         | No                           |
| Colour                                  | Black                        |
| RAL-number (similar)                    | 7031                         |
| Transparent                             | No                           |
| Lockable                                | No                           |
| Eject-mechanism                         | No                           |
| Insulated mounting                      | No                           |
| With function lighting                  | No                           |
| With orientation lighting               | No                           |
| Overvoltage protection                  | No                           |
| Fault current protection                | No                           |
| With miniature fuse                     | No                           |
| Mounting method                         | Flush-mounted                |
| Type of fastening                       | Mounting with claw and screw |
| Material                                | Plastic                      |
| Material quality                        | Thermoplastic                |
| Halogen free                            | Yes                          |
| Surface protection                      | Untreated                    |
| Surface finishing                       | Glossy                       |
| Anti-bacterial treatment                | No                           |
| With loop through function              | No                           |
| With on/off switch                      | No                           |
| Rotated central insert                  | No                           |
| Nominal current                         | 16 [A]                       |
| Nominal voltage                         | 250 [V]                      |
| Frequency                               | 50..60 [Hz]                  |
| Suitable for degree of protection (IP)  | IP20                         |
| Impact strength                         | IK03                         |
| Device width                            | 73 [mm]                      |
| Device height                           | 73 [mm]                      |
| Device depth                            | 50 [mm]                      |

## Ordering information
