## ETIM description

|       |                             |
|-------|-----------------------------|
| Class | Fluorescent lamp (EC000108) |
| Group | Lamps (EG000028)            |

|                                           |                           |
|-------------------------------------------|---------------------------|
| Lamp power                                | 58 [W]                    |
| Luminous flux                             | 5200 [lm]                 |
| Socket                                    | G13                       |
| Colour rendering index CRI                | 80-89                     |
| Colour temperature                        | 4000 [K]                  |
| Lamp shape                                | Rod                       |
| Lamp efficacy                             | 89.65 [lm/W]              |
| Colour of light                           | 840                       |
| Colour of light according to EN 12464-1   | Neutral white 3300-5300 K |
| Tube diameter                             | 26 [mm]                   |
| Length                                    | 1500 [mm]                 |
| Colour                                    | White                     |
| Application                               | General                   |
| Splitter protection                       | No                        |
| Ignition strip                            | No                        |
| Starter less operation                    | No                        |
| Full spectrum lamp                        | No                        |
| Suitable for explosion proof luminaires   | No                        |
| Suitable for emergency lighting           | No                        |
| Weighted energy consumption in 1000 hours | 58 [kWh]                  |
| Average nominal lifespan                  | 20000 [h]                 |
| Lamp designation                          | T8                        |
