| Net volume                  | 800000 mm <sup>3</sup> |
| Customs commodity code      | 39172310               |

## ETIM description

|                            |                                               |
|----------------------------|-----------------------------------------------|
| Class                      | Plastic installation tube (EC001174)          |
| Group                      | Pipes/hoses for cable installation (EG000002) |
| Material                   | Polyvinyl chloride (PVC)                      |
| Halogen free               | No                                            |
| Fire retardant version     | Yes                                           |
| Bending strength           | Rigid                                         |
| With sleeve                | No                                            |
| Flush-mounted installation | Yes                                           |
| Surface mounting           | Yes                                           |

|                                       |              |
|---------------------------------------|--------------|
| Suitable for installation on wood     | Yes          |
| Suitable for hollow wall installation | Yes          |
| Suitable for outdoor installation     | Yes          |
| Suitable for underground installation | No           |
| Inner diameter                        | 18 [mm]      |
| Outer diameter                        | 20 [mm]      |
| Operating temperature                 | -15..60 [°C] |
| High conducting inner coating         | No           |
| Colour                                | White        |

## Ordering information

|                       |            |
|-----------------------|------------|
| Order unit            | One (unit) |
