

## General information

|                         |                        |
|-------------------------|------------------------|
| Product ID              | 5907702812397          |
| GTIN                    | 5907702812397          |
| Manufacturer name       | ELEKTROKABEL           |
| Manufacturer product ID | YKY 5x10               |
| Net length              | 1 m                    |
| Net width               | 0.0184 m               |
| Net height              | 0.0184 m               |
| Net weight              | 0.736 kg               |
| Net volume              | 338560 mm <sup>3</sup> |

## ETIM description

|                                      |                                                           |
|--------------------------------------|-----------------------------------------------------------|
| Class                                | Power cable < 1 kV, for permanent installation (EC003248) |
| Group                                | Cables and wires (unassembled) (EG000001)                 |
| Conductor material                   | Copper                                                    |
| Conductor surface                    | Bare                                                      |
| Nominal cross section conductor      | 10 [mm <sup>2</sup> ]                                     |
| Conductor category                   | Class 1 = solid                                           |
| Number of cores                      | 5                                                         |
| Twisted cores                        | No                                                        |
| Material core insulation             | Polyvinyl chloride (PVC)                                  |
| Core identification                  | Colour                                                    |
| Core colour                          | Several                                                   |
| With protective conductor            | Yes                                                       |
| Max. permitted conductor temperature | 70 [°C]                                                   |
| Screen                               | No                                                        |
| Drain wire                           | No                                                        |

|                             |                          |
|-----------------------------|--------------------------|
| Lead sheath                 | No                       |
| Armouring/reinforcement     | None                     |
| Radial water blocking cable | No                       |
| Material outer sheath       | Polyvinyl chloride (PVC) |
| Colour outer sheath         | Black                    |
| Cable geometry              | Round                    |

## Ordering information

|                       |       |
|-----------------------|-------|
| Order unit            | Meter |
| Minimum quantity      | 1     |
| Quantity interval     | 1     |
| Content unit          | Meter |
| Content unit quantity | 1     |
