

## General information

|                         |                       |
|-------------------------|-----------------------|
| Product ID              | 5907569599523         |
| GTIN                    | 5907569599523         |
| Manufacturer name       | NEXANS                |
| Manufacturer short name | NEXA                  |
| Manufacturer product ID | 120X10KU-LE           |
| Brand name              | GPH                   |
| Net length              | 0.06 m                |
| Net width               | 0.02 m                |
| Net height              | 0.02 m                |
| Net weight              | 0.06 kg               |
| Net volume              | 24000 mm <sup>3</sup> |

## ETIM description

|                         |                                                                       |
|-------------------------|-----------------------------------------------------------------------|
| Class                   | Solderless terminals for copper conductors (EC001052)                 |
| Group                   | Electrical installation, isolation and connection material (EG000047) |
| Bolt dimension (metric) | 10                                                                    |
| Flange shape            | Ring shape                                                            |
| Insulation              | None                                                                  |
| Reel/roll packaging     | No                                                                    |
| Material                | Copper                                                                |
| Surface protection      | Tinned                                                                |

## Ordering information

|                   |            |
|-------------------|------------|
| Order unit        | One (unit) |
| Minimum quantity  | 1          |
| Quantity interval | 1          |
